Resident in Mysore and the reply of this Government. 271. 271. 286. From – reasons in stating their Sentiments on
the proceedings of the Acting Resident in Mysore with respect to the late change in the Administration of
that Country – The arrangements described in Mr. Cole's letter of 24th. Novr. proper, but not attended with the
Solemnity and sanction of Government requisite on such an occasion to give them precision and Solidity calcula-
to preclude the occurrence of the late unhappy disagreement between the Rajah and the Dewan which
may be partly referred to the defect of an accurate definition of relative obligations and a deviation
from the Spirit of the agreement. Do not defend the Conduct of Poorneah, but think that he was unneces=
=rily exposed to humiliation – Their admiration of Poorneah and regret at his disgrace – think that a
private Conciliatory admonition would have been sufficient – a reconciliation not to be expecte

to Poorneah should be allowed to retire in the enjoyment of every possible distinction and indulgence &
th a Provision in addition to his Jagheer - Their Satisfaction at the Character Qualifications and disposition
of the Rajah as reported by the Acting Resident 273, 273 288 . Augt From the Chief Secy - with enclosure
mentioning the arrival of four French Frigates with 1000 Men at Java 286. 287. 302 Sepr From Ditto - with Copy

by the authorities and Departments of the several Presidencies, in the Expedition against the French Islands -
particular approbation of Governor General in Council of the Zeal &c of this Government 329, 333 342. To -
in reply 338, 342. 350 Octr To - respecting the differences between the Rajah of Mysore and his Minister - That the
disagreement is to be attributed to the Minister - That there seems to be no doubt respecting the expediency
of Poorneahs retiring from Office, recommending that every indulgence should be shewn to Poorneah in his
retirement - Requesting the Sentiments of his Excellency on those points 426, 431. 433 . From - requesting that one
of His Majesty's Regiments may be kept in readiness for eventual embarkation - and that a Native Regiment
may be posted favorably for the eventual passage to Ceylon to supply the place of European Regiment which
may be sent from thence. 501. 503 505 To - in reply 514 515, 517. Novr From - acknowledge receipt
of the despatch from this Govt of the 17th Octr on the subject of the late Changes in the Administration in Mysore
- although the violence of Poorneah's temper might have disturbed the arrangement effected by Mr Cole that
arrangement might have been more permanent if adopted under the Sanction of the Govt - admit the inaccuracy
of the terms used in a former despatch in noticing the degradation of the Dewan; but think that a
private remonstrance would have been more suitable and effectual than the mode pursued - the Acting Resident
was placed in circumstances peculiarly difficult and delicate and the impression entertained of some defect of
address under these Circumstances is still consistent with the most favorable Opinion of his general ability -
the conduct of the Rajah extremely satisfactory - the provision intended for Poorneah liberal - Suggestions
regarding the letters to be addressed to the Rajah and Poorneah 611. 612. 613 -
